

Remarks

At the time of filing the Application Applicant's Attorney noticed that the abscissa legend for Figure 3 had an incorrect symbol "o2" for Oxygen; however, it was too late to contact the Draftsperson to have an appropriate Correction made prior to Filing. Applicant having received a Filing Date and Serial Number and having to File an Information Disclosure Statement is desirous of Correcting the erroneous legend on Figure 3. The Corrected Figure 3 has the appropriate symbol "O₂" for Oxygen.

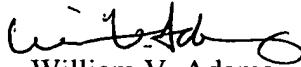

This Preliminary Amendment is submitted to assist the Examiner who would have noted the typographical error and required correction.

If there are any questions, the Examiner is invited to telephone the undersigned at the local telephone number given below.

Respectfully submitted,
